

DIRECTIONS AND PARKING

Directions*

- **From I-95 North or South**

I-95 traveling north or south take Exit 47 to Route 34 west. Visitor parking available in Air Rights Garage (see map and parking). Enter the Air Rights Garage from North or South Frontage Roads.

- **From I-91 South**

I-91 traveling south Exit 1 to Route 34 west. Visitor parking available in Air Rights Garage (see map and parking). Enter the Air Rights Garage from North or South Frontage Roads.

- **Wilbur Cross Parkway (Rte. 15) traveling south**

Exit 59 immediately after tunnel. Right at end of ramp. Merge left onto Whalley Avenue at light. Stay on Whalley until you see signs for Yale-New Haven at Park Street. Follow hospital signs, then make a left turn onto South Frontage Road. Visitor parking available in Air Rights Garage (see map and parking). Enter the Air Rights Garage from South Frontage Road.

- **Merritt Parkway (Rte. 15) traveling north**

Exit 57 to Route 34 east into New Haven. Right onto Ella T. Grasso Boulevard (Rte. 10) and left onto South Frontage Road (Legion Ave.). Follow hospital and Rte. 34 signs. Covered entrance at 20 York Street. Visitor parking available in Air Rights Garage. Enter from North or South Frontage Roads.

- **Route 1 (Boston Post Road) traveling east**

After crossing Ella T. Grasso Boulevard (Rte. 10), turn left onto Davenport Avenue. When Davenport crosses Howard Avenue, it becomes York Street. Visitor parking available in Air Rights Garage (see map and parking). Enter the Air Rights Garage from York Street.

From Downtown New Haven

From the New Haven Green, go south on College Street. Cross the bridge, which overpasses the highway (Route 34 Connector), College Street then merges with Congress Avenue, bear right. Take the first right onto Cedar Street. The School of Medicine is half-way down the block on your right.

*Due to ongoing roadway construction some of the exit numbers may change. Follow local signage to Yale-New Haven Hospital.

Parking

Air Rights Garage, open 24 hours a day and located between North and South Frontage roads, straddling York St. Hourly, half-day, daily and monthly rates are available. The New Haven Parking Authority at (203) 946-893 has current rate information. Special parking spaces for disabled visitors are located next to the elevators on each parking level. The garage is monitored by Yale-New Haven Hospital Security Services. A covered pedestrian bridge connects the second floor of the garage to the 20 York Street entrance of the Yale-New Haven Hospital.

New Haven, CT 06510

nederm.org

Dear Member/Attendee,

The New England Dermatological Society invites you to attend our upcoming clinical meeting, jointly provided by the Massachusetts Medical Society and New England Dermatological Society (NEDS). Hosted by the Department of Dermatology of Yale School of Medicine, it will be held in New Haven, Connecticut, on Saturday, October 25, 2014.

This is a great opportunity to view up to 20 unique and interesting clinical cases. We expect that approximately 200–250 dermatologists and dermatologists-in-training will attend. Come see some patients, attend informative lectures, and mingle with colleagues.

Enclosed is the program of events for the upcoming clinical meeting. Also, please save the dates for the following NEDS Meetings. We look forward to seeing you soon!

Sincerely,

Papri Sarkar, MD
Secretary, New England Dermatological Society

AMA Credit Designation Statement

The Massachusetts Medical Society designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through joint providership of the Massachusetts Medical Society and the New England Dermatological

Society. The Massachusetts Medical Society is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

As a result of participating in this activity, learners will be able to:

- Identify signs, symptoms, and pathophysiology of rare and unusual dermatological disease and conditions.
- Formulate a diagnosis and describe evidence-based best practices for treatment of dermatological diseases and conditions.
- List updates on what is new in dermatology guidelines and resulting patient applications.
