### VIRTUAL/ONLINE MEETING FORMAT

Patient Viewing

Business Meeting

Case Discussion and Lectures

[nederm.org](http://nederm.org)

**Dear Member/Attendee,**

The **New England Dermatological Society** invites you to attend our upcoming virtual clinical meeting jointly provided by the Massachusetts Medical Society and the New England Dermatological Society. This meeting will be hosted by the **Department of Dermatology/Boston University School of Medicine** and will be held on **Saturday, December 5, 2020**.

This is a great opportunity to view up to 20 unique and interesting clinical cases. We expect that approximately 300 dermatologists and dermatologists-in-training will attend.

In addition, please save the dates for the other upcoming New England Dermatological Society meetings. We look forward to seeing you soon!

Sincerely,

Avery LaChance, MD, MPH  
Secretary, New England Dermatological Society

---

### Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of the Massachusetts Medical Society and the New England Dermatological Society. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

### AMA Credit Designation Statement

The Massachusetts Medical Society designates this live activity for a maximum of 3.0 *AMA PRA Category 1 Credits*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### As a result of participating in this activity, learners will be able to:

- Identify signs, symptoms, and pathophysiology of dermatological disease and conditions and rare, and unusual dermatological diseases.
- Formulate a diagnosis and describe evidence based on best practices for treatment of dermatological diseases and conditions.
- List updates on what is new in dermatology guidelines and resulting patient applications.
- Develop a better understanding of skin conditions prevalent among East Asians and treatment options.
- Develop an understanding about how social media is impacting the field of dermatology.
