Dear Member/Attendee,

The **New England Dermatological Society** invites you to attend our upcoming virtual clinical meeting jointly provided by the Rhode Island Hospital and the New England Dermatological Society. This meeting is hosted by Boston University Chobanian & Avedisian School of Medicine, Department of Dermatology, and will be held on **Saturday, December 3, 2022**.

This will be a *live* meeting and a great opportunity to view 19 unique and interesting clinical cases. We anticipate 200+ dermatologists and dermatologists-in-training to attend. Come see some patients, participate in case discussions, and mingle with colleagues.

In addition, please save the dates for upcoming New England Dermatological Society meetings. We look forward to seeing you soon in Boston!

Sincerely,

Avery Lachance, MD, MPH
Secretary, New England Dermatological Society

*Ineligible for *AMA PRA Category 1 Credits*[™]

Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through joint providership of Rhode Island Hospital and the New England Dermatological Society. Rhode Island Hospital is accredited by the ACCME to provide continuing medical education for physicians.

AMA Credit Designation Statement

Rhode Island Hospital designates this live activity for a maximum of 4.75 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

As a result of participating in this activity, learners will be able to:

1. Identify strategies for providing more equitable medical care.
2. Recognize the barriers to a therapeutic relationship with a patient suffering from hidradenitis suppurativa.
3. Develop a therapeutic framework for earning the confidence and trust of your patients with hidradenitis suppurativa, including a roadmap that you can follow together to restore their trust, hope, and vitality.
4. Demonstrate the basic approach to the medical and procedural management of hidradenitis suppurativa.
5. Review how health care disparities impact management of a chronic disease like lupus.

Register now at nederm.org.
