Lahey Hospital & Medical Center Dermatology  
Burlington, MA

### ONLINE MEETING FORMAT

Patient Viewing

Business Meeting

Case Discussion and Lectures

[nederm.org](http://nederm.org)

### Dear Member/Attendee,

The **New England Dermatological Society** invites you to attend our upcoming virtual clinical meeting jointly provided by the Massachusetts Medical Society and the New England Dermatological Society. This meeting will be hosted by the **Harvard Medical School Department of Dermatology and Lahey Hospital & Medical Center Dermatology** and will be held on **Saturday, May 1, 2021**.

This is a great opportunity to view up to 25 unique and interesting clinical cases. We expect that approximately 300 dermatologists and dermatologists-in-training will attend.

In addition, please save the dates for the other upcoming New England Dermatological Society meetings. We look forward to seeing you soon!

Sincerely,

Avery LaChance, MD, MPH  
Secretary, New England Dermatological Society

### Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and the New England Dermatological Society. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

### AMA Credit Designation Statement

The Massachusetts Medical Society designates this live activity for a maximum of 4.25 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### As a result of participating in this activity, learners will be able to:

- Identify signs, symptoms, and pathophysiology of dermatological disease and conditions, rare and unusual dermatological diseases.
- Formulate a diagnosis, describe evidence based on best practices for treatment of dermatological diseases and conditions.
- List updates on what is new in dermatology guidelines and resulting patient applications.
- Improve understanding of management options for immuno-suppressed patients with multiple skin cancers.
- Develop action plans for addressing gaps in diversity, equity and inclusion in dermatology.
- Prepare to maximize the contributions dermatologists can make during pandemics and other public health emergencies.
