### Dear Member/Attendee,

The **New England Dermatological Society** invites you to attend our upcoming virtual clinical meeting jointly provided by the Massachusetts Medical Society and the New England Dermatological Society. This online meeting is hosted by the **University of Massachusetts Medical School and UMass Memorial Medical Center Department of Dermatology** and will be held on **Saturday, December 4, 2021**.

This is a great opportunity to view up to 25 unique and interesting clinical cases. We expect that approximately 300 dermatologists and dermatologists-in-training will attend.

In addition, please save the dates for the other upcoming New England Dermatological Society meetings. We look forward to seeing you soon!

Sincerely,

Avery LaChance, MD, MPH  
Secretary, New England Dermatological Society

\*Ineligible for *AMA PRA Category 1 Credits™*.

### Accreditation Statement

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Massachusetts Medical Society and the New England Dermatological Society. The Massachusetts Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

### AMA Credit Designation Statement

The Massachusetts Medical Society designates this live activity for a maximum of 4.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

### As a result of participating in this activity, learners will be able to:

1. Identify signs, symptoms, and pathophysiology of dermatological diseases including rare diagnoses.
2. Formulate a diagnosis and describe evidence-based practices for the treatment of dermatological diseases and conditions.
3. Describe how team engagement in improvement projects can help improve joy in work.
4. Identify common cutaneous manifestations of dermatomyositis.
5. Identify distinct skin manifestations associated with specific myositis autoantibodies.
6. Review the significance of diagnosis and management of nail psoriasis.
